

## Minnesota Pollution Control Agency

July 27, 1982

Mr. Mike Kosakowski, WH527  
U.S. Environmental Protection Agency  
401 M Street SW  
Washington, D. C. 20460

Dear Mike:

You recently asked Steve Shakman if there were other PAH discharges in Minnesota. I checked with our permits people and the only permit with PAH limits is the one for St. Louis Park's storm water retention pond. There are no active coking or steel making plants.

I hope this helps; call me if you have any questions.

Sincerely,

Michael J. Hansel  
Regulatory Compliance Section  
Solid and Hazardous Waste Division

MJH/dc
